## Summer Holiday

Home Learning Challenges

Hooray, the summer holidays are here! What exciting things will you do? The summer holidays are a great time to go for a picnic. Could you help to make some tasty treats for everyone to enjoy? You could make some sandwiches or a tasty cake!

Can you make a rock creature? Look for a pebble or stone and then, paint it to look like a minibeast or an animal. If you have some googly eyes, you could glue these on too. Perhaps you could make a whole family of rock creatures?

Have a movie night and make some popcorn. Ask a grown-up to help you make some delicious popcorn. Have you ever heard the noise that it makes when you are heating it up? Pop, pop, pop!

Have a water fight in a garden! How long can you try and stay dry before somebody soaks you! A great activity for a sunny day!

Can you make your own ice lollies or flavoured ice cubes? Ask a grown-up to help you prepare them and then, check on them later to see how they have changed. You will enjoy having these on a hot day.

Have you ever been on a bus? Plan a journey to somewhere fun, such as a park or zoo, and go on the bus. What can you see from the window? Can you play 'I spy' with the things you can see on your journey?

## Tropical Garden Party!

A fun idea to do on a hot day is to prepare and host your own tropical garden party for family and friends. Use these tips and ideas to ensure everyone has a great time.

**Party Games to Play**  
Every party needs games for everyone to join in and have fun. Here are a few suggestions that you can play using items you might have around home.

**Hula Hoop Competition:** A fun game for everyone involved. See who can twirl a hula hoop the longest! Or, if you have lots of hula hoops, see who can twirl the most hula hoops at once. Try to get the grown-ups involved too!

**Limbo:** A limbo game is really easy to make. Find a broom or mop and balance it between two chairs. Take it in turns to limbo below the stick without falling onto the floor. You can adjust the height of the stick to make the game harder as you go on. Use strings to tie the stick at different heights on the chairs or other furniture in the garden. Remember to check with a grown-up beforehand.

**Coconut Laces:** This game can be played with real coconuts, bowling balls or ordinary balls. The game is similar to bowls. Place a target in the centre of your lawn or a clear area in the garden. The target could be a toy, a hula hoop or a shoe - any item that the balls can be rolled towards. Take it in turns at rolling your coconut (or ball) to the target. Whoever gets their ball the closest is the winner. You could have more than one go and knock other people's coconuts (balls) away from the target.

**Flip-Flip Flipping:** Hang a hula hoop in your garden (this could be from a tree). Take it in turns at trying to throw your flip-flip through the hoop using your foot. You could make this harder by having several hula hoops and assigning points to each. Every time a person gets their flip-flip through the hula hoop, add up their score. The winner is the person with the highest score.
